You and your family will prepare approximately 40 sack lunches at your location and deliver them to the shelter on the evening of the date you selected (between 6:00PM - 7:00PM or after 8:00PM). The address is 23850 Pine Street, Newhall, CA 91321 . Please put the date the sack lunches were prepared on the outside of each bag.

A sack lunch consists of a nutritious meal the guests can take with them when they leave the shelter the next morning. If you pack sandwiches with condiments, we are asking that you possibly consider packing them on the side (individual packets of mayo and mustard) as we are finding this heat is brutal on our clients who take their lunches in the mornings.

The Shelter suggests each bag contain the following:

- a sandwich
- a small bag of chips/snack
- a piece of fruit
- a water bottle or small juice
- a napkin
