Read the Catholic Connection.

Reflection: Do you believe you could have the courage to stand as Peter does before a group of Jewish priests and proclaim your faith? What is your favorite line of the Apostle's Creed?

1. **Read Mark 2: 1-12**
2. After reading, consider the connections between the images of healing offered in this story and the Church's sacraments of healing-Penance and Reconciliation and Anointing of the Sick. Catholics believe we experience:
  - a. Spiritual healing- if we have faith like the paralytic and are humbly sorry for our sins.
  - b. Healing when we are ill and suffering-even if we are not physically healed like the paralytic, we can be strengthened to deal with our sickness and comforted by God's love.

**Next scripture passage- Mark 2: 13-17**

1. Read Mark 2: 13-17. Reflect on whom Jesus is choosing to dine with and why.
2. If you were hosting a dinner in Jesus's honor, who would you invite to be there with you? Why?
3. Are there groups or certain people in society today are not welcomed by a majority of people? Why is that?
